MSK

ARTIST / ENGINEER / INVENTOR

ARTISTIC ENGINEERING & DESIGN

Engineering imagination into meaningful experiences.

IT

MSK affianca istituzioni, comuni, architetti, collezionisti e artisti nella concezione e realizzazione di progetti che uniscono arte, design, scienza e ingegneria. Dall'idea alla realizzazione, trasforma visioni ambiziose in soluzioni concrete: opere e installazioni, sistemi tecnici, illuminazione, prototipi e strumenti su misura.

EN

MSK works with institutions, municipalities, architects, collectors and artists to conceive and realise projects at the intersection of art, design, science and engineering. From concept to execution, he turns ambitious visions into tangible outcomes: artworks and installations, technical systems, lighting, prototypes and bespoke tools.

SERVICES / SERVIZI

01 ARTISTIC ENGINEERING **Ingegneria applicata all'arte**	Engineering for artworks, kinetic and interactive works, custom mechanisms and creative technologies.
02 CONCEPT & DESIGN **Sviluppo del concept e design**	Creative direction, concept development, spatial design, 3D modelling and technical drawings.
